

Anti-bullying Strategy

(In conjunction with Academy Behaviour Policy)

This policy was formally adopted by Willoughby Road Primary Academy in Autumn Term 2018

The Renewal date for this policy is Autumn Term 2019

Context

The overall aim of the Academy is to have an educational community which promotes and provides excellence in teaching, learning, relationships and opportunities, through high expectations and adherence to traditional values.

Therefore all members of the Willoughby Road Primary Academy have a right to feel welcome, secure and happy.

Pupils should expect to learn in a supportive and caring environment without fear of bullying. Pupils should expect to learn in a supportive and caring environment which epitomises our school values of:

- Safe and secure
- Honest
- Respectful
- Courageous
- Aspirational

Bullying is antisocial behaviour and affects everyone. Any form of bullying is totally unacceptable in the academy. However, human nature being as it is, despite our culture of zero tolerance towards this issue, there may be some instances of students attempting to bully each other within the Academy - often as a result of offsite situations or incidents. Therefore, we aim to deal with any bullying complaints firmly, fairly and promptly.

We treat bullying as a serious offence and take every possible action to keep it to a minimum.

Our Aims

- To create an environment where bullying is not tolerated.
- To ensure that all pupils are aware of their rights and responsibilities and know how to seek help if those rights are being violated.
- To encourage pupils to work well, develop good relationships and offer each other mutual support and respect.
- To encourage pupils to behave in a respectful and positive way to one another.
- To raise awareness and equip pupils to deal with bullies through PSHE programmes, assemblies, pastoral team members and peer supporters.
- To review and monitor the effectiveness of our anti-bullying policy annually
