## Meet the Team

### Dear parents,

Whilst I know you are very familiar with your children's class teachers, I just thought I would introduce you to some of the other people who work at Willoughby Road that you may not be familiar with.

Firstly, I would like to introduce Mrs Elliott who is the Executive Principal. She is the regional Executive Principal for all the Delta primary academies in North Lincs, Grimsby and Doncaster. She works closely with Mrs Jupp and your children will be familiar with her in and out of classrooms looking at all the good work that's going on, in and around the academy.

She shares her time across all the academies, however if you would like to speak to her please just ask Mrs Jupp and she will let you know when she is next in.

We are also delighted to introduce you to two other senior members of staff who have joined us after working across other Delta schools.

Firstly, Mr Cooke, who has lots of experience across all the age ranges, however he is focusing his time at WRPA predominantly on Key stage 1 and is working closely with our year 1 and 2 teachers.

Secondly, Mrs Ornsby, who has spent many years working in Key stage 2 and is working closely with our Key stage 2 teachers. She is also part of the team preparing the year 6 children for their Sats, and so year 6 parents may see her releasing children after booster sessions after school, or your children may say they have worked with her in an afternoon intervention.

Whilst we hope that all queries can be resolved by talking to your child's class teacher in the first place, please remember you are welcome to come in and speak to any of the members of staff working with your child.

This includes Mrs Jupp (Head of Academy), Mrs Solly (Key stage 2 Assistant Principal) and Mrs Cox ( Foundation stage and Key stage 1 Assistant Principal).

Please see the school office if you would like to book an appointment.
